THE PROJECT

12 Hours for Greece

12 Hours for Greece is an initiative launched by a group of citizens of different nationalities established in Brussels aimed at addressing to the Greek people a sign of solidarity and friendship in times of crisis. The event attracts each year over 2,500 people, and is widely publicised in Belgian, Greek and international media. The 2014 event will be organised under the auspices of the Greek Presidency of the European Union.

OBJECTIVES

- 🎯 To present a lively and positive image of Greece and its people, on the occasion of a cultural and festive event
- 🎯 To support financially a charity project (past beneficiaries include *Hamogelo tou Paidiou*, *Médecins sans Frontières-Greece*, *Make a Wish-Greece* and *ELEPAP*, the *Hellenic association for handicapped children*). The benefits of the 2014 edition will go to associations supported by *the International Foundation for Greece*.
